

The Sermon on the Mount:  
Be Ye Salt & Light  
Matthew 5:13-16

Lesson Four

Observation: Please read **Matthew 5:13-16**

Introduction: In the captured verses, Jesus uses the metaphors of Salt and Light to describe the transforming characteristics of a Christian that are embodied to bring glory to GOD.

Questions for Consideration:

- As a Christian, in what ways are we expected to display the character of salt? (vs. 13)
- Provide examples of what is displayed when a saint loses their "flavor"? (vs. 13)
- In what ways do we bring glory to GOD when we allow our Lights to shine? (vs. 14-16)

Personal Exploration:

- What are personal signs or triggers for you that indicate that your Salt is losing its "flavor"?
- What helps us maintain our "flavor"?

Inspiration:

Please take the time to reflect and journal ways that you purpose in your heart to be more of an illuminating expression of Christ in the earth in 2010.
